MINNESOTA LIFE

Minnesota Life Insurance Company - A Securian Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

General Information

This rider is issued in consideration of the required premium and amends the group policy to which it is attached. The rider is subject to every term, condition, exclusion, limitation, and provision of the group policy unless otherwise expressly provided for herein.

What does this rider provide?

This rider provides insurance on the lives of the insured employee's eligible dependents.

What members of the insured employee's family are eligible for insurance under this rider?

The following members of the insured employee's family are eligible for insurance under this rider:

- (1) the insured employee's lawful spouse or common-law spouse who is not legally separated from the insured and who is not insured for supplemental insurance as an employee under the policy to which this rider is attached.

If any spouse is insured as an eligible employee under the group policy for employee supplemental term life, he or she is not also eligible to be insured with dependent spouse supplemental term life coverage. If any employee is insured as an eligible spouse under the group policy for spouse supplemental term life coverage, he or she is not also eligible to be insured as an employee for supplemental term life coverage; and

- (2) the insured employee's children, stepchildren, foster children (if living in the insured employee's home), grandchildren (if claimed as a dependent on the insured employee's federal income tax return), a child for whom the insured employee is a legal guardian or in a regular parent-child relationship with and legally adopted children. Children are eligible from live birth (stillborn or unborn children are not eligible) to the attainment of age 26. Children age 26 or older are also eligible if they are physically or mentally incapable of self-support, were incapable of self-support prior to age 26 and are financially dependent on the employee for more than one-half of their support and maintenance.

If both parents of a child qualify as eligible employees under the group policy, the child shall be considered a

dependent of only one parent for purposes of this rider. If any child qualifies as an eligible employee under the group policy, he or she is not eligible to be insured as a dependent child.

Any dependent child who, subsequent to the effective date of the insured employee's child life insurance, meets the requirements of this provision will become insured on the date he or she so qualifies.

When will we require evidence of insurability?

Evidence of insurability will be required if:

- (1) the specifications page attached to the group policy states that evidence of insurability is required; or
- (2) the insurance is contributory and the employee does not enroll for coverage under this rider within the enrollment period shown on the specifications page attached to the group policy; or
- (3) dependents insurance for which the employee previously enrolled did not go into effect or was terminated because the employee failed to make a required premium contribution; or
- (4) during a previous period of eligibility, the employee failed to submit evidence of insurability that was required for a dependent or that which was submitted was not satisfactory to us; or
- (5) the dependent is insured by an individual policy issued under the terms of the conversion right of this rider.

When does insurance on a dependent become effective?

Insurance on a dependent becomes effective on the date when all of the following conditions have been met:

- (1) the dependent meets all eligibility requirements; and
- (2) if required, the insured employee applies for dependents coverage on forms which are approved by us; and
- (3) we are satisfied with the dependent's evidence of insurability, if we require evidence; and
- (4) we receive the required premium.

Insurance on a dependent will never be effective before the insured employee's insurance under the group policy is effective.

Death Benefit

What is the amount of life insurance on each insured dependent?

The amount of life insurance on each insured dependent is shown on the specifications page attached to the group policy. In no event may the amount of insurance exceed the amount of insurance for which the employee is eligible.

To whom will we pay the death benefit?

The death benefit payable under this rider will be paid to the insured employee if living, otherwise to his or her estate.

Termination

When does an insured dependent's coverage under this rider terminate?

An insured dependent's coverage ends on the earliest of the following:

- (1) the date the dependent no longer meets the eligibility requirements; or
- (2) 31 days (the grace period) after the due date of any premium contribution which is not paid; or
- (3) the last day for which premium contributions have been made following an employee's written request that insurance on his or her eligible dependents be terminated; or
- (4) the date the employee is no longer covered under the group policy.

The employee must notify us or the employer when a dependent is no longer eligible for coverage under this rider so that premiums may be discontinued. All premiums paid for dependents who are no longer eligible for coverage under this rider will be refunded without any payment of claim.

When does this rider terminate?

This rider will terminate on the earlier of:

- (1) the date we receive a written request to cancel this rider; or
- (2) the date the group policy is terminated.

Additional Information

What is the conversion right under this rider?

If an insured dependent's coverage under this rider terminates because he or she is no longer eligible, or because of the death of the insured employee, or because of termination or amendment of this rider, the insurance may be converted to a policy of individual insurance with Minnesota Life.

Conversion may be requested by the insured employee, an insured dependent of legal capacity, or the insured dependent's guardian, if applicable. All other conditions and provisions of the conversion right section of the group policy to which this rider is attached will apply.

Does the Waiver of Premium rider to the group policy apply to insured dependents?

The Waiver of Premium rider to the group policy will not apply to disabilities for dependents covered under this rider.

However, if, due to the insured employee's disability, his or her insurance is continued in force without further payment of premiums due to the Waiver of Premium rider to the group policy, any dependents insurance provided by this rider shall also continue in force without further payment of premiums until the dependent's eligibility terminates or until the insured employee's insurance is no longer continued in force due to the Waiver of Premium rider to the group policy.

This provision is not applicable if the dependent's insurance has been converted under the conversion right section of this rider, unless the converted policy is surrendered without claim except for refund of premiums.

Accidental Death and Dismemberment Policy Rider

MINNESOTA LIFE

Minnesota Life Insurance Company, a Securian Financial Group affiliate
400 Robert Street North • St. Paul, Minnesota 55101-2098

General Information

This rider is issued in consideration of the required premium and amends the group policy to which it is attached. This rider is subject to every term, condition, exclusion, limitation, and provision of the group policy unless otherwise expressly provided for herein.

What does this rider provide?

This rider provides accidental death and dismemberment coverage subject to all terms, conditions, and exclusions herein.

Who is eligible for insurance under this rider?

An employee who is insured under the provisions applicable to life insurance coverage under the group policy is eligible for insurance under this rider. In addition, an employee may elect coverage for his or her spouse and/or dependent child(ren) who are insured under the Dependents Term Life Insurance Policy Rider attached to the group policy. All references to an insured in this rider shall include dependents. All provisions of this rider applicable to an "insured" shall apply to an insured dependent.

When does insurance under this rider become effective?

Insurance becomes effective on the date that the employee becomes insured for life insurance under the group policy.

For a certificate holder with existing dependent coverage in force, any newly acquired dependent who meets the requirements will automatically become insured when he or she becomes eligible. If application or additional premium is required for the newly eligible dependent, coverage will become effective as described above.

If a dependent is hospitalized or confined because of illness or disease on the date his or her insurance would otherwise become effective, his or her effective date shall be delayed until he or she is released from such hospitalization or confinement. This provision shall not apply to a newborn child. However, in no event will insurance on a dependent be effective before the insured employee's insurance under this rider is effective.

Accidental Death and Dismemberment (AD&D) Benefit

What does accidental death or dismemberment by accidental injury mean?

Accidental death or dismemberment by accidental injury as used in this rider means that the insured's death or dismemberment results, directly and independently of all

other causes, from an accidental bodily injury which is unintended, unexpected, and unforeseen. The bodily injury must be evidenced by a visible contusion or wound, except in the case of accidental drowning. The bodily injury must be the sole cause of death or dismemberment.

The injury must occur while the insured's coverage under this rider is in force. The insured's death or dismemberment must occur within 365 days after the date of the injury.

In no event will we pay the accidental death or dismemberment benefit where the insured's death or dismemberment is caused directly or indirectly by, results from, or where there is a contribution from, any of the following:

- (1) intentionally self-inflicted injury or self destruction, whether sane or insane; or
- (2) suicide or attempted suicide, whether sane or insane; or
- (3) the insured's participation in or attempt to commit a crime, assault, felony, or any illegal activity, regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
- (4) bodily or mental infirmity, illness or disease; or
- (5) the use of alcohol, drugs, medications, poisons, gases, fumes or other substances taken, absorbed, inhaled, ingested or injected, unless taken upon the advice of a licensed physician in the verifiable prescribed manner and dosage; or
- (6) motor vehicle collision or accident where the insured is the operator of the motor vehicle and this insured's blood alcohol level meets or exceeds the level at which intoxication is defined in the state where the collision or accident occurred, regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
- (7) infection, other than infection occurring simultaneously with, and as a direct result of, the accidental injury; or
- (8) medical or surgical treatment or diagnostic procedures or any resulting complications; or
- (9) travel in or descent from any aircraft, except as a fare-paying passenger on a regularly scheduled commercial flight on a licensed passenger aircraft; or
- (10) war or any act of war, whether declared or undeclared; or
- (11) service in the military of any nation.

What is the amount of the accidental death and dismemberment benefit?

The amount of the benefit shall be a percentage of the amount of insurance shown on the specifications page attached to the group policy. The percentage is

determined by the type of loss as shown in the following table:

TYPE OF LOSS	PERCENT OF AMOUNT OF INSURANCE
Life.....	100%
Both Hands or Both Feet.....	100%
Sight of Both Eyes.....	100%
Speech and Hearing In Both Ears	100%
One Hand and One Foot.....	100%
One Foot and Sight of One Eye	100%
One Hand and Sight of One Eye.....	100%
Quadriplegia	100%
Paraplegia	50%
Sight of One Eye	50%
Speech or Hearing In Both Ears	50%
One Hand or One Foot.....	50%
Hemiplegia	50%
Thumb and Index Finger of One Hand	25%

Loss of hands or feet means complete severance at or above the wrist or ankle joints. Loss of sight, speech, or hearing means the entire and irrecoverable loss of sight, speech, or hearing which cannot be corrected by medical or surgical treatment or by artificial means. Loss of thumb or finger means complete severance at or above the metacarpophalangeal joints (the joints closest to the palm of the hand).

Quadriplegia means total and permanent paralysis of both upper limbs (from the shoulder down including total paralysis of both hands) and both lower limbs (from the waist down including total paralysis of both feet). Paraplegia means total and permanent paralysis of both lower limbs (from the waist down including total paralysis of both feet). Hemiplegia means total and permanent paralysis of both the upper limb (from the shoulder down including total paralysis of the hand) and lower limb (from the waist down including total paralysis of the foot) on one side of the body.

A benefit is not payable for both loss of one hand and the loss of thumb and index finger of one hand for injury to the same hand as a result of any one accident. Under no circumstance will more than one payment be made for the loss or paralysis of the same limb, eye, finger, thumb, hand, foot, sight, speech, or hearing if one payment has already been made for that loss.

Benefits may be paid for more than one accidental loss but the total amount of AD&D insurance payable under this rider for all of an insured's losses due to any one accident, not including any amount paid according to the terms of the Additional Benefits section of this rider, will never exceed the full amount of AD&D insurance shown on the specifications page attached to the group policy.

When will the accidental death and dismemberment benefit be payable?

We will pay the AD&D benefit within two months of receipt at our home office of written proof satisfactory to us that the insured died or suffered dismemberment as a result of

an accidental injury. All payments by us are payable from our home office.

The benefit will be paid in a single sum. We will pay interest on the benefit from the date of the insured's death or dismemberment until the date of payment. Interest will be at an annual rate determined by us, but never less than 0.1% per year compounded annually or the minimum required by state law, whichever is greater.

To whom do we pay the benefit?

A certificate holder's accidental death benefit will be paid to the person or persons entitled to receive a death benefit under the terms of the group policy. The benefit for other losses sustained by a certificate holder will be paid to the certificate holder, if living, otherwise to his or her estate.

A dependent's AD&D benefit will be paid to you, if living, otherwise to your estate.

Additional Benefits

Unless stated otherwise, additional benefits are payable to the same person or persons who receive the AD&D benefits. Additional benefits are paid in addition to any AD&D benefits described in the Accidental Death and Dismemberment section, unless otherwise stated. All provisions of this rider, including but not limited to the exclusions listed under the "What does accidental death or dismemberment by accidental injury mean?" section, shall apply to these additional benefits.

Air Bag Benefit

What is the air bag benefit?

If an insured employee dies as a result of a covered accident which occurs while he or she is driving or riding in a private passenger car, we will pay an additional AD&D benefit equal to the lesser of \$5,000 or the insured employee's full amount of AD&D insurance.

The qualifying employee's dependent children must also be dependent on the surviving spouse for a benefit to be considered.

The benefit for each child per year will be the lesser of:

- (1) \$5,000 per year ; or

No payment will be made for expenses incurred more than 36 months after the date of the insured employee's death or for expenses incurred for dependent children over age 13. If the dependent child is not of legal age the benefit will be paid to the person who provides proof they have paid or will pay the tuition bill for that school year. Proof of enrollment and tuition costs are required for each school year.

Disappearance Benefit

What is the disappearance benefit?

If an insured employee's body has not been found after one year from the date the conveyance in which he or she was traveling disappeared, exploded, sank, became stranded, made a forced landing or was wrecked, it shall be presumed, subject to all other terms of the policy and proof satisfactory to us that the accident occurred and the insured was a passenger on the conveyance, that the insured has died as a result of an accidental injury which was unintended, unexpected and unforeseen. Such death shall be considered a covered loss under this rider.

If an insured employee suffers a loss due to exposure to the elements he or she will be covered as if it were due to injury, provided such loss results from unavoidable exposure to the elements by reason of a covered accident.

If a certificate holder dies or suffers a covered dismemberment as a result of a covered accident which occurs while the insured employee is performing his or her customary duties at the employer's normal place of business or at other places the employer's business requires the insured employee to travel, we will pay an additional benefit equal to the lesser of:

- (1) 50% of the certificate holder's amount of AD&D insurance; or

Group Term Life Policy Amendment #4

MINNESOTA LIFE

Minnesota Life Insurance Company - A Securian Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

To be attached to and made a part of Group Policy No. 34393-G issued by Minnesota Life Insurance Company to Aldine ISD. This amendment is effective as of January 1, 2017. Continued payment of premiums shall constitute acceptance of the conditions stated in this amendment.

The following changes are made to the policy:

1. The section titled "Qualified Status Changes" is amended to read as follows:

**QUALIFIED STATUS
CHANGES:**

An employee who experiences one of the Qualified Status Changes listed below may make the following election changes without providing evidence of insurability, provided enrollment is made within 31 days of the status change:

- An employee may increase supplemental life insurance by one times annual earnings, not to exceed the lesser of five times annual earnings and \$600,000. This offer applies to employees enrolling in coverage for the first time and employees who are currently participating in supplemental life insurance.
- An employee may elect any child life amount

Qualified Status Change for this purpose means:

- Birth or adoption or otherwise acquiring a newly eligible child
- Death of a dependent (spouse or child)
- Divorce, legal separation or annulment
- Marriage

Evidence of insurability (EOI) is required if any of the following apply:

Employee Insurance

- Increases of more than one multiple of earnings
- Any election if the employee has previously been declined any insurance amount under this policy due to failure to provide satisfactory evidence of insurability.

Spouse insurance

- Increases of more than one multiple of employee's earnings
- Any election if the spouse was not previously insured under the spouse life insurance plan
- Any election if the spouse has previously been declined any insurance amount under this policy due to failure to provide satisfactory evidence of insurability.

Note: An employee must be insured for supplemental life insurance in order to elect spouse or child life insurance. In the event an employee is not participating in the supplemental employee life insurance plan and is therefore required to submit evidence of insurability (EOI) on him/herself in order to be eligible for spouse or child insurance, the spouse or child insurance will not become effective unless and until the employee's evidence of insurability (EOI) is found satisfactory and approved by Minnesota Life.

Requested increases that do not require evidence of insurability will be effective on the first day of the month following the date of election. Requested increases which require evidence of insurability will be effective the first day of the month following the date the evidence of insurability is found satisfactory and approved by Minnesota Life. All increases are subject to the actively at work requirement.

2. There is a group of employees who were previously declined a coverage increase but who subsequently were approved for an increase during a qualified status change event. These employees are allowed to remain at the coverage levels they were provided inadvertently and are considered grandfathered with that coverage.
3. The section titled "Annual Open Enrollments" is amended to read as follows:

**ANNUAL OPEN
ENROLLMENTS:**

During the policyholder's annual open enrollment, the following election changes can be made without providing evidence of insurability:

- An employee may increase supplemental life insurance by one times annual earnings, not to exceed the lesser of five times annual earnings and \$600,000. This offer applies only to employees currently participating in supplemental life insurance.
- An employee may increase spouse life insurance by one times annual earnings, not to exceed the lesser of three times annual earnings and \$100,000. Spouse life insurance may not be more than 100% of the employee's supplemental life insurance amount. This offer applies only to employees currently enrolled in spouse life insurance.
- Any child life election

Coverage that does not require evidence of insurability (EOI) will be effective on the January 1 following the annual enrollment, subject to the actively at work requirement.

Evidence of insurability (EOI) is required if any of the following apply:

Employee Insurance

- Increases of more than one multiple of earnings.
- Any election for an employee not currently insured under the supplemental life insurance plan.
- Any election if the employee has previously been declined insurance under this policy due to failure to provide satisfactory evidence of insurability.

Spouse insurance

- Increases of more than one multiple of employee's earnings
- Any election if the spouse was not previously insured under the spouse life insurance plan.
- Any election if the spouse has previously been declined insurance under this policy due to failure to provide satisfactory evidence of insurability.

Note: An employee must be insured for supplemental life insurance in order to elect spouse or child life insurance. In the event an employee is not participating in the supplemental employee life insurance plan and is therefore required to submit evidence of insurability (EOI) on him/herself in order to be eligible for spouse or child insurance, the spouse or child insurance will not become effective unless and until the employee's evidence of insurability (EOI) is found satisfactory and approved by Minnesota Life.

Requested increases that require evidence of insurability will become effective the first day of the month following the date the evidence of insurability (EOI) is found satisfactory and approved by Minnesota Life, but not before the January 1 following the enrollment period. All increases are subject to the actively at work requirement.

As a result of these changes, the Group Policy Specifications Page effective January 1, 2016 is replaced with the attached Group Policy Specifications Page effective January 1, 2017.

MINNESOTA LIFE

Minnesota Life Insurance Company - A Securian Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

To be attached to and made a part of Group Policy No. 34393 issued by Minnesota Life Insurance Company to Aldine Independent School District. This amendment is effective as of November 19, 2015. Continued payment of premiums shall constitute acceptance of the conditions stated in this amendment.

In accordance with Texas statutes, the life expectancy for a terminal condition as shown in the Accelerated Benefits Policy Rider has been increased from twelve months or less to twenty-four months or less. As a result, the Accelerated Benefits Policy Rider with a form number of MHC-96-13184.42 EdF82821 1-2015 is replaced in its entirety with the attached Accelerated Benefits Policy Rider with a form number of MHC-96-13184.42 EdF82821 2-2016.

Agreed to by Minnesota Life Insurance Company this 8th day of February, 2016.

Second Vice President

Accelerated Benefits Policy Rider

Minnesota Life Insurance Company - A Securian Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

MINNESOTA LIFE

The acceleration-of-life insurance benefits offered under this rider are intended to qualify for favorable tax treatment under the Internal Revenue Code of 1986. If the acceleration-of-life insurance benefits qualify for such favorable tax treatment, the benefits will be excludable from the insured's income and not subject to federal taxation. Tax laws relating to acceleration-of-life insurance benefits are complex. The insured is advised to consult with a qualified tax advisor about circumstances under which the insured could receive acceleration-of-life insurance benefits excludable from income under federal law.

Receipt of acceleration-of-life insurance benefits may affect the insured's, the insured's spouse or his or her family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. The insured is advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect the insured's, the insured's spouse and his or her family's eligibility for public assistance.

General Information

This rider amends the group policy to which it is attached and is subject to every term, condition, exclusion, limitation, and provision of the group policy unless otherwise expressly provided for herein.

What does this rider provide?

This rider provides for the accelerated payment of either the full or a partial amount of an insured's death benefit provided under the group policy. If the insured has a terminal condition as defined in this rider, an accelerated payment of the death benefit may be requested.

Definitions

accelerated benefit

The amount of the death benefit we will pay if the insured is eligible under this rider.

death benefit

The amount of the insured's life insurance as shown on the specifications page attached to the certificate holder's certificate.

immediate family

The certificate holder's spouse, children, parents, grandparents, grandchildren, brothers and sisters, and their spouses.

insured

For purposes of this rider, an insured employee, an insured spouse, or an insured dependent child.

physician

An individual who is licensed to practice medicine or treat illness in the state in which treatment is received. This does not include the certificate holder, or a member of the certificate holder's immediate family.

Terminal Condition

What is a terminal condition?

A terminal condition is a condition caused by sickness or accident which directly results in a life expectancy of twenty-four months or less.

What evidence do we require of the insured's terminal condition?

We must be given evidence that satisfies us that the insured's life expectancy, because of sickness or accident, is twenty-four months or less. That evidence must include certification by a physician. We reserve the right to ask for independent medical verification of a terminal condition. In the case of a difference of opinion, the opinion of our physician will prevail.

Do we have the right to obtain independent medical verification?

Yes. We retain the right to have the insured medically examined at our own expense to verify the insured's medical condition. We may do this as often as reasonably required while accelerated benefits are being considered or paid.

Payment of Accelerated Benefit

How do we calculate the accelerated benefit?

We will multiply the death benefit by the accelerated benefit factor to determine the accelerated benefit available.

How do we calculate the accelerated benefit factor?

The accelerated benefit factor will be stated as a percentage of the insured's death benefit. When we calculate this factor, we will consider the insured's age and gender.

We will also base our calculation on certain assumptions, which we may change from time to time, including but not limited to assumptions about:

- (1) expected future premiums; and
- (2) the insured's life expectancy.

What is the cost to the insured for this rider?

The insured pays no additional premium for this benefit.

Is there a processing charge?

We guarantee that the present value actuarial discount shall not reduce the amount of benefits accelerated by more than 15% of the face amount of such benefits. We guarantee that the processing charge will not exceed \$150 per request to consider an accelerated benefit.

What are the conditions for the payment of an accelerated benefit?

We will consider the payment of an accelerated benefit, subject to all of the following conditions:

- (1) coverage must be in force and all premiums due must be fully paid; and
- (2) application must be made in writing and in a form which is satisfactory to us. We will tell a certificate holder what form is required; and
- (3) the certificate holder must be the sole owner of the certificate; and
- (4) the insured's insurance must not have an irrevocable beneficiary.

Who may request an accelerated payment of the death benefit?

A certificate holder may request an accelerated payment of the insurance on his or her life or on the life of a spouse or dependent child insured under his or her certificate.

Is the request for an accelerated benefit voluntary?

Yes. An accelerated benefit will be made available on a voluntary basis only. An accelerated benefit under this rider is not intended to cause an involuntary reduction of the death benefit ultimately payable to the named beneficiary. Therefore, payment of the death benefit cannot be accelerated under this rider if the insured:

- (1) is required by law to use this option to meet the claims of creditors, whether in bankruptcy or otherwise; or

- (2) is required by a government agency to use this option in order to apply for, obtain, or keep a government benefit or entitlement.

Is there a minimum or maximum death benefit eligible for an accelerated benefit?

Yes. The minimum death benefit to be eligible for an accelerated benefit under this rider is \$10,000. The maximum death benefit to be eligible for an accelerated benefit is \$1,000,000.

Does a certificate holder have to take the entire accelerated benefit?

No. The certificate holder may choose to receive a partial accelerated benefit. If he or she does so, the insured's remaining coverage will stay in force.

If a certificate holder elects to receive only a partial accelerated benefit amount available under this rider, the remaining death benefit under the certificate must be at least \$25,000.

The certificate holder may reapply for the payment of the remaining amount of insurance at any time. However, we may ask for further satisfactory evidence that the insured meets all requirements for the accelerated benefit.

What is the effect on an insured's coverage of the receipt of an accelerated benefit?

If a certificate holder elects to accelerate the full amount of an insured's death benefit, the insured's coverage and all other benefits under the certificate and any certificate supplements which apply to that insured will end. If the insured is a certificate holder, any other individual insured under his or her certificate will be allowed to convert any such insurance to a policy of individual life insurance according to the conversion right section of the group policy to which this rider is attached.

If a partial accelerated benefit is chosen, coverage will remain in force and premiums will be reduced accordingly. The remaining amount of insurance under the certificate will be the full amount of insurance minus the amount of insurance that was accelerated.

If an insured elects to receive accelerated benefits, we will send the insured a statement which illustrates the effects of the accelerated benefit payment on his or her amount of insurance.

How will we pay the accelerated benefit?

We will pay the accelerated benefit in one lump sum or in any other mutually agreeable manner.

To whom will we pay accelerated benefits?

All accelerated benefits will be paid to the certificate holder who requested the accelerated payment. If such certificate holder dies before all payments have been made, we will pay the remainder to the insured's

beneficiary named under the certificate. Payment will be made in one lump sum which will be the present value of the payments that remain, using the interest rate we use to determine the payments.

Termination

When does an insured's coverage under this rider terminate?

An insured's coverage ends on the date the insured is no longer covered for life insurance under the group policy.

When does this rider terminate?

This rider will terminate on the earlier of:

- (1) the date we receive a written request to cancel this rider; or
- (2) the date the group policy is terminated.

Can this policy be amended?

Yes. The insured's consent is not required to amend this policy or any certificates issued under it. Any amendment will be without prejudice to any claim for benefits incurred prior to the effective date of the amendment.

Who is eligible for insurance?

An employee is eligible if he or she:

What is the actively at work requirement?

To be eligible to become insured or to receive an increase in the amount of insurance, an employee must be actively at work, fully performing his or her customary duties for his or her regularly scheduled number of hours at the

If the employee is not actively at work on the date coverage would otherwise begin, or on the date an increase in his or her amount of insurance would otherwise be effective, he or she will not be eligible for the coverage or increase until he or she returns to active work. However, if the absence is on a non-work day, coverage will not be delayed provided the employee was actively at work on the work day immediately preceding the non-work day.

Except as otherwise provided for in this policy, an employee is eligible to continue to be insured only while he or she remains actively at work.

When will we require evidence of insurability?

Evidence of insurability will be required if:

- (1) the specifications page attached to this policy states that evidence of insurability is required; or
- (2) the insurance is contributory and the employee does not enroll within the enrollment period shown on the specifications page attached to this policy; or
- (3) the employee previously enrolled did not go into effect or was terminated because the employee failed to make a required premium contribution; or
- (4) during a previous period of eligibility, the employee failed to submit required evidence of insurability or that which was submitted was not satisfactory to us; or
- (5) the employee is insured by an individual policy issued under the terms of the conversion right section.

When does insurance become effective?

Insurance becomes effective on the date that all of the following conditions have been met:

- (1) an employee meets all eligibility requirements; and
- (2) if required, the employee applies for the insurance on forms which are approved by us; and
- (3) we are satisfied with the employee's evidence of insurability, if we require evidence; and
- (4) we receive the required premium.

Can an insured employee's coverage be continued during sickness, injury, leave of absence or temporary layoff?

Yes. Insurance may be continued on an insured employee who is not actively at work due to sickness, injury, leave of absence or temporary layoff, subject to the employer's practices and procedures, including the employer's limits on the length of continuation allowed for the type of absence. Continuation is contingent upon continued premium payment and is subject to the following maximum time frames:

- (1) for an employee on non-medical leave of absence or temporary layoff, insurance cannot be continued beyond 18 months from the last day the insured employee was actively at work.
- (2) for an employee on a medical leave of absence, insurance cannot be continued beyond the later of 18 months from the last day the insured employee was actively at work or the date the employee attains age 65.

- (2) anytime, if the policy terms are amended or the total amount of insurance in force changes by 15% from the volume that was used to determine the current rates or more.

Insurance continued for a military leave may be continued on a premium paying basis for the length of the leave.

Continuation of insurance must be in accordance with practices and procedures that preclude individual selection.

Coverage during a leave of absence and upon return from a leave of absence shall meet all state and federal requirements. The above limits will be expanded if necessary in order to meet such requirements.

Premiums

When and how often are premiums due?

Unless we have agreed to some other premium payment procedure, premiums for this policy are remitted to us monthly. Premiums are due on the premium due date as shown on the specifications page attached to this policy. We apply premiums consecutively to keep the insurance in force.

You may pay premiums before they are due for any period up to the next policy anniversary. Premiums paid in advance should be calculated at the rate of the monthly premium currently due.

Premium contributions for contributory insurance are to be paid to you. The premium contributions by insureds for contributory insurance should be remitted to us as due along with the premiums payable for noncontributory insurance.

How is the premium determined?

The premium will be the premium rate multiplied by the number of \$1,000 units of insurance in force on the date premiums are due. The premium may also be computed by any other method on which you and we agree.

We may change the premium rate:

- (1) on any premium due date following the expiration of any rate guarantee period, or following the date that the amount of insurance in force for any one coverage changes by more than 15% from that which was used to determine the current rates (active employee coverage and retiree coverage are considered separate coverages, as are basic life, supplemental life, spouse life, child life and AD&D); or

Can a premium be paid after the date it is due?

Yes. This policy has a 31-day grace period. If a premium is not paid on or before the date it is due, that premium may be paid during the 31-day period following the due date. The insurance under this policy will remain in effect during the 31-day grace period. This grace period does not apply to the first premium payment.

Can the premium be adjusted?

Yes. We will adjust the premium on each due date for insurance which was effective or terminated before the most recent due date, but not reflected in prior premium payments. We will charge you for any additional premium, and will refund any overpayment, excluding any overpayment made more than 12 months before the adjustment.

Death Benefit

What is the amount of the death benefit?

The amount of the death benefit is the amount of insurance shown on the specifications page attached to this group policy. The amount of insurance for each insured dependent shall not exceed the amount of insurance for which the employee is eligible.

Can an insured request a change in the amount of his or her contributory insurance?

An insured can request a change in his or her contributory insurance amount only during an annual open enrollment period, as determined by the employer, or within 31 days of a Qualified Status Change. Qualified Status Change shall be as determined by the employer.

If an insured requests an increase in the amount of his or her contributory insurance, we will require evidence of insurability, unless otherwise noted on the specifications page.

When will changes in an insured's coverage amount be effective?

Requested increases in the amount of an insured's contributory insurance, if approved, are effective on the first day of the following month. Requested decreases in the amount of an insured's contributory insurance are effective on the first day of the month following receipt of the insured's request for a decrease, or if different, according to the administrative practices of the employer.

Requests for a change made during a special enrollment period offered by the employer will not become effective prior to the general effective date of elections made during that enrollment.

Increases and decreases in insurance amounts which result from a change in the insured's eligible class or earnings will be effective as shown on the specifications page attached to this policy.

All increases in the amount of insurance are subject to the actively at work requirement.

When will the death benefit be payable?

We will pay the death benefit upon receipt at our home office of written proof satisfactory to us that an individual died while insured under this policy. All payments by us are payable from our home office.

The death benefit will be paid in a single sum or by any other method agreeable to us and the beneficiary. We will pay interest on the death benefit from the date of the insured's death until the date of payment. Interest will be at an annual rate determined by us based on current short term market rates, but never less than 0.1% per year compounded annually, or the minimum required by state law, whichever is greater.

Payment of the death benefit will extinguish our liability under the certificate for which the death benefit has been paid.

To whom will we pay the death benefit?

We will pay the death benefit to the beneficiary or beneficiaries. A beneficiary is named by an insured to receive the death benefit to be paid at the insured's death. The insured may name one or more beneficiaries. The insured cannot name you or an associated company as a beneficiary.

The insured may also choose to name a beneficiary that the insured cannot change without the beneficiary's consent. This is called an irrevocable beneficiary.

If there is more than one beneficiary, each will receive an equal share, unless the insured has requested another method in writing. To receive the death benefit, a beneficiary must be living on the date of the insured's death. In the event a beneficiary is not living on the date of the insured's death, that beneficiary's portion of the death benefit shall be equally distributed to the remaining surviving beneficiaries. In the event of the simultaneous deaths of the insured and a beneficiary, the death benefit will be paid as if the insured survived the beneficiary.

If there is no eligible beneficiary, or if the insured does not name one, we will pay the death benefit to:

- (1) the insured's lawful spouse, if living, otherwise;
- (2) the insured's natural or legally adopted child (children) in equal shares, if living, otherwise;
- (3) the insured's parents in equal shares, if living, otherwise;
- (4) the insured's siblings in equal shares, if living, otherwise;
- (5) the personal representative of the insured's estate.

Can an insured add or change beneficiaries?

Yes. An insured can add or change beneficiaries if all of the following are true:

- (1) the insured's coverage is in force; and
- (2) we have written consent of all irrevocable beneficiaries; and
- (3) the insured has not assigned the ownership of his or her insurance.

A request to add or change a beneficiary must be made in writing. All requests are subject to our approval. A change will take effect as of the date it is signed, but will not affect any payment we make or action we take before receiving an insured's notice.

Termination

When does an insured's coverage terminate?

The insured's coverage ends on the earliest of the following:

- (1) the date this policy ends; or
- (2) the date the employee no longer meets the eligibility requirements; or
- (3) the date the policy is amended so the employee is no longer eligible; or
- (4) 31 days (the grace period) after the due date of any premium contribution which is not paid; or
- (5) the last day for which premium contributions have been paid following an employee's written request to cease participation under this policy.

If the insured's coverage under this policy terminates due to non-payment of premiums, his or her coverage may be reinstated if all premiums due are paid and received by us within 31 days of the date of termination and during the insured's lifetime.

Can insurance on the life of an insured be reinstated after termination?

Yes. When an insured's coverage terminates because he or she is no longer eligible, and the insured becomes eligible again within three months after the date his or her coverage terminated, the insured's coverage under this policy may be reinstated.

Provided the insured is not then covered by an individual policy issued under the terms of the conversion right section, his or her coverage under this group policy shall be reinstated automatically, without evidence of insurability or satisfaction of any waiting period. The amount of insurance will be that which applies to the classification to which he or she then belongs, on the date he or she again becomes eligible. If the policyholder's plan of insurance provides for contributory insurance under this policy, an insured's amount of contributory insurance will be limited to that for which he or she was insured immediately prior to the loss of coverage.

When does this group policy terminate?

You may terminate this group policy by giving us 31 days prior written notice. We reserve the right to terminate this policy on the earliest of the following to occur:

- (1) 31 days (the grace period) after the due date of any premiums which are not paid; or
- (2) on any subsequent policy anniversary after the date the number of employees insured is less than any minimum established by us or as required by applicable state law; or
- (3) 31 days after we provide you with notice of our intent to terminate this policy.

Can this policy be reinstated?

No. We will not reinstate this policy after it terminates. You must submit a new application for a new policy after this policy has terminated.

Conversion Right

What is the conversion right?

An insured may be able to convert this insurance to a new individual life insurance policy if all or part of the insured's life insurance under this policy terminates.

The insured may convert up to the full amount of terminated insurance if termination occurs because he or she moves from one existing eligible class to another, or he or she is no longer in an eligible class.

Limited conversion is available if, after the insured has been insured for at least five years, insurance is terminated because:

- (1) the policy is terminated; or
- (2) the policy is changed to reduce or terminate the insurance for that individual.

In such case, the insured may convert up to the full amount of terminated insurance, but not more than the maximum. The maximum is the lesser of:

- (a) \$10,000; and
- (b) the amount of life insurance which terminated minus any amount of group life insurance for which the insured becomes eligible under any group policy issued or reinstated by us or any other carrier within 31 days of the date the insurance terminated under this policy.

Neither the conversion right nor the limited conversion right is available if the insured's coverage under this policy terminates due to failure to make, when due, required premium contributions.

Under both the conversion right and the limited conversion right, the insured may convert his or her insurance to any type of individual policy of life insurance then customarily issued by us for purposes of conversion, except term

insurance. The individual policy will not include any supplemental benefits, including, but not limited to, any disability benefits, accidental death and dismemberment benefits, or accelerated benefits.

How does an insured convert his or her insurance?

An insured converts his or her insurance by applying for an individual policy and paying the first premium within 31 days after the group insurance terminates. No evidence of insurability will be required.

How is the premium for the individual policy determined?

We base the premium for the individual policy on the plan of insurance, the insured's age, and the class of risk to which the insured belongs on the date of the conversion.

When is the individual policy effective?

The individual policy takes effect 31 days after the group insurance provided under this policy terminates.

What happens if the insured dies during the 31-day period allowed for conversion?

If the insured dies during the 31-day period allowed for conversion, we will pay a death benefit regardless of whether or not an application for coverage under an individual policy has been submitted. The death benefit will be the amount of insurance the insured would have been eligible to convert under the terms of the conversion right section.

We will return any premium the insured paid for an individual policy to the insured's beneficiary named under this group policy. In no event will we be liable under both this group policy and the individual policy.

Additional Information

What if an insured's age has been misstated?

If an insured's age has been misstated, the death benefit payable will be that amount to which the insured is entitled based on his or her correct age.

A premium adjustment will be made to the premium you pay for the insured's noncontributory insurance and to the premium an insured pays for contributory insurance, if any, so that the actual premium required at the insured's correct age is paid.

Is there a suicide exclusion?

The specifications page attached to this policy indicates what insurance, if any, is subject to the suicide exclusion outlined below.

When applicable, this suicide exclusion limits our liability to an amount equal to the premiums paid for an insured, if that insured, whether sane or insane, dies by suicide

within two years of the effective date of his or her insurance.

If there has been an increase in the insured's amount of insurance for which he or she was required to apply or for which we required evidence of insurability, and if the insured dies by suicide within two years of the effective date of the increase, our liability with respect to that increase will be limited to the premiums paid and attributable to such increase.

When does an insured's insurance become incontestable?

Except for the non-payment of premiums, after the insured's insurance has been in force during his or her lifetime for two years from the effective date of his or her coverage, we cannot contest the insured's coverage. However, if there has been an increase in the amount of insurance for which the insured was required to apply or for which we required evidence of insurability, then, to the extent of the increase, any loss which occurs within two years of the effective date of the increase will be contestable.

Any statements the insured makes in his or her application will be considered representations and not warranties. Also, any statement an insured makes will not be used to void his or her insurance, nor defend against a claim, unless the statement is contained in the signed application and any evidence of insurability application attached to the insured's certificate.

Are you required to maintain records?

Yes. You are required to maintain adequate records of any information necessary for us to administer this policy. We own the records relating to the insurance provided by this policy, and can obtain them from you at any reasonable time.

If a clerical error is made in keeping records on the insurance under this policy, it will not affect otherwise valid insurance. A clerical error does not continue insurance which is otherwise stopped. If an error causes a change in premium payment, we will make a fair adjustment.

Will a certificate of insurance be provided for each certificate holder?

Yes. We will provide you with a certificate of insurance for delivery to each certificate holder. The certificate will include information regarding the principal provisions of his or her coverage.

Will this policy receive experience credits?

Each year we will determine if this policy will receive an experience credit.

Are you our agent?

No. For all purposes of this policy, neither you, an associated company, nor any administrator you appoint is our agent. We will not be liable for any of your acts or omissions or those of an associated company or administrator.

Will the provisions of this policy conform with state law?

Yes. If any provision in this policy, or in the certificates issued under this policy, is in conflict with the laws of the state governing the policy or the certificates, the provision will be deemed to be amended to conform to such laws.

Accelerated Benefits Policy Rider

Minnesota Life Insurance Company - A Securian Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

MINNESOTA LIFE

The acceleration-of-life insurance benefits offered under this rider are intended to qualify for favorable tax treatment under the Internal Revenue Code of 1986. If the acceleration-of-life insurance benefits qualify for such favorable tax treatment, the benefits will be excludable from the insured's income and not subject to federal taxation. Tax laws relating to acceleration-of-life insurance benefits are complex. The insured is advised to consult with a qualified tax advisor about circumstances under which the insured could receive acceleration-of-life insurance benefits excludable from income under federal law.

Receipt of acceleration-of-life insurance benefits may affect the insured's, the insured's spouse or his or her family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. The insured is advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect the insured's, the insured's spouse and his or her family's eligibility for public assistance.

General Information

This rider amends the group policy to which it is attached and is subject to every term, condition, exclusion, limitation, and provision of the group policy unless otherwise expressly provided for herein.

What does this rider provide?

This rider provides for the accelerated payment of either the full or a partial amount of an insured's death benefit provided under the group policy. If the insured has a terminal condition as defined in this rider, an accelerated payment of the death benefit may be requested.

Definitions

accelerated benefit

The amount of the death benefit we will pay if the insured is eligible under this rider.

death benefit

The amount of the insured's life insurance as shown on the specifications page attached to the certificate holder's certificate.

immediate family

The certificate holder's spouse, children, parents, grandparents, grandchildren, brothers and sisters, and their spouses.

insured

For purposes of this rider, an insured employee, an insured spouse, or an insured dependent child.

physician

An individual who is licensed to practice medicine or treat illness in the state in which treatment is received. This does not include the certificate holder, or a member of the certificate holder's immediate family.

Terminal Condition

What is a terminal condition?

A terminal condition is a condition caused by sickness or accident which directly results in a life expectancy of twenty-four months or less.

What evidence do we require of the insured's terminal condition?

We must be given evidence that satisfies us that the insured's life expectancy, because of sickness or accident, is twenty-four months or less. That evidence must include certification by a physician. We reserve the right to ask for independent medical verification of a terminal condition. In the case of a difference of opinion, the opinion of our physician will prevail.

Do we have the right to obtain independent medical verification?

Yes. We retain the right to have the insured medically examined at our own expense to verify the insured's medical condition. We may do this as often as reasonably required while accelerated benefits are being considered or paid.

Payment of Accelerated Benefit

How do we calculate the accelerated benefit?

We will multiply the death benefit by the accelerated benefit factor to determine the accelerated benefit available.

How do we calculate the accelerated benefit factor?

The accelerated benefit factor will be stated as a percentage of the insured's death benefit. When we calculate this factor, we will consider the insured's age and gender.

We will also base our calculation on certain assumptions, which we may change from time to time, including but not limited to assumptions about:

- (1) expected future premiums; and
- (2) the insured's life expectancy.

What is the cost to the insured for this rider?

The insured pays no additional premium for this benefit.

Is there a processing charge?

We guarantee that the present value actuarial discount shall not reduce the amount of benefits accelerated by more than 15% of the face amount of such benefits. We guarantee that the processing charge will not exceed \$150 per request to consider an accelerated benefit.

What are the conditions for the payment of an accelerated benefit?

We will consider the payment of an accelerated benefit, subject to all of the following conditions:

- (1) coverage must be in force and all premiums due must be fully paid; and
- (2) application must be made in writing and in a form which is satisfactory to us. We will tell a certificate holder what form is required; and
- (3) the certificate holder must be the sole owner of the certificate; and
- (4) the insured's insurance must not have an irrevocable beneficiary.

Who may request an accelerated payment of the death benefit?

A certificate holder may request an accelerated payment of the insurance on his or her life or on the life of a spouse or dependent child insured under his or her certificate.

Is the request for an accelerated benefit voluntary?

Yes. An accelerated benefit will be made available on a voluntary basis only. An accelerated benefit under this rider is not intended to cause an involuntary reduction of the death benefit ultimately payable to the named beneficiary. Therefore, payment of the death benefit cannot be accelerated under this rider if the insured:

- (1) is required by law to use this option to meet the claims of creditors, whether in bankruptcy or otherwise; or

- (2) is required by a government agency to use this option in order to apply for, obtain, or keep a government benefit or entitlement.

Is there a minimum or maximum death benefit eligible for an accelerated benefit?

Yes. The minimum death benefit to be eligible for an accelerated benefit under this rider is \$10,000. The maximum death benefit to be eligible for an accelerated benefit is \$1,000,000.

Does a certificate holder have to take the entire accelerated benefit?

No. The certificate holder may choose to receive a partial accelerated benefit. If he or she does so, the insured's remaining coverage will stay in force.

If a certificate holder elects to receive only a partial accelerated benefit amount available under this rider, the remaining death benefit under the certificate must be at least \$25,000.

The certificate holder may reapply for the payment of the remaining amount of insurance at any time. However, we may ask for further satisfactory evidence that the insured meets all requirements for the accelerated benefit.

What is the effect on an insured's coverage of the receipt of an accelerated benefit?

If a certificate holder elects to accelerate the full amount of an insured's death benefit, the insured's coverage and all other benefits under the certificate and any certificate supplements which apply to that insured will end. If the insured is a certificate holder, any other individual insured under his or her certificate will be allowed to convert any such insurance to a policy of individual life insurance according to the conversion right section of the group policy to which this rider is attached.

If a partial accelerated benefit is chosen, coverage will remain in force and premiums will be reduced accordingly. The remaining amount of insurance under the certificate will be the full amount of insurance minus the amount of insurance that was accelerated.

If an insured elects to receive accelerated benefits, we will send the insured a statement which illustrates the effects of the accelerated benefit payment on his or her amount of insurance.

How will we pay the accelerated benefit?

We will pay the accelerated benefit in one lump sum or in any other mutually agreeable manner.

To whom will we pay accelerated benefits?

All accelerated benefits will be paid to the certificate holder who requested the accelerated payment. If such certificate holder dies before all payments have been made, we will pay the remainder to the insured's

beneficiary named under the certificate. Payment will be made in one lump sum which will be the present value of the payments that remain, using the interest rate we use to determine the payments.

Termination

When does an insured's coverage under this rider terminate?

An insured's coverage ends on the date the insured is no longer covered for life insurance under the group policy.

When does this rider terminate?

This rider will terminate on the earlier of:

- (1) the date we receive a written request to cancel this rider; or
- (2) the date the group policy is terminated.

Accidental Death and Dismemberment Policy Rider

MINNESOTA LIFE

Minnesota Life Insurance Company, a Securian Financial Group affiliate
400 Robert Street North • St. Paul, Minnesota 55101-2098

General Information

This rider is issued in consideration of the required premium and amends the group policy to which it is attached. This rider is subject to every term, condition, exclusion, limitation, and provision of the group policy unless otherwise expressly provided for herein.

What does this rider provide?

This rider provides accidental death and dismemberment coverage subject to all terms, conditions, and exclusions herein.

Who is eligible for insurance under this rider?

An insured employee who is eligible under the provisions applicable to life insurance coverage under the group policy is eligible for insurance under this rider. The employee's insured spouse and children are eligible under the Seatbelt provision of this rider.

When does insurance under this rider become effective?

Insurance becomes effective on the date that the employee becomes insured for life insurance under the group policy.

Accidental Death and Dismemberment (AD&D) Benefit

What does accidental death or dismemberment by accidental injury mean?

Accidental death or dismemberment by accidental injury as used in this rider means that the insured's death or dismemberment results, directly and independently of all other causes, from an accidental bodily injury which is unintended, unexpected, and unforeseen. The bodily injury must be evidenced by a visible contusion or wound, except in the case of accidental drowning. The bodily injury must be the sole cause of death or dismemberment.

The injury must occur while the insured's coverage under this rider is in force. The insured's death or dismemberment must occur within 365 days after the date of the injury.

In no event will we pay the accidental death or dismemberment benefit where the insured's death or dismemberment is caused directly or indirectly by, results from, or where there is a contribution from, any of the following:

- (1) intentionally self-inflicted injury or self destruction, whether sane or insane; or
- (2) suicide or attempted suicide, whether sane or insane; or

- (3) the insured's participation in or attempt to commit a crime, assault, felony, or any illegal activity, regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
- (4) bodily or mental infirmity, illness or disease; or
- (5) the use of alcohol, drugs, medications, poisons, gases, fumes or other substances taken, absorbed, inhaled, ingested or injected, unless taken upon the advice of a licensed physician in the verifiable prescribed manner and dosage; or
- (6) motor vehicle collision or accident where the insured is the operator of the motor vehicle and this insured's blood alcohol level meets or exceeds the level at which intoxication is defined in the state where the collision or accident occurred, regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
- (7) infection, other than infection occurring simultaneously with, and as a direct result of, the accidental injury; or
- (8) medical or surgical treatment or diagnostic procedures or any resulting complications; or
- (9) travel in or descent from any aircraft, except as a fare-paying passenger on a regularly scheduled commercial flight on a licensed passenger aircraft; or
- (10) war or any act of war, whether declared or undeclared; or
- (11) service in the military of any nation.

What is the amount of the accidental death and dismemberment benefit?

The amount of the benefit shall be a percentage of the amount of insurance shown on the specifications page attached to the group policy. The percentage is determined by the type of loss as shown in the following table:

TYPE OF LOSS	PERCENT OF AMOUNT OF INSURANCE
Life.....	100%
Both Hands or Both Feet.....	100%
Sight of Both Eyes.....	100%
Speech and Hearing In Both Ears.....	100%
One Hand and One Foot.....	100%
One Foot and Sight of One Eye.....	100%
One Hand and Sight of One Eye.....	100%
Quadriplegia.....	100%
Paraplegia.....	50%
Sight of One Eye.....	50%
Speech or Hearing In Both Ears.....	50%
One Hand or One Foot.....	50%
Hemiplegia.....	50%
Thumb and Index Finger of One Hand.....	25%

Loss of hands or feet means complete severance at or above the wrist or ankle joints. Loss of sight, speech, or hearing means the entire and irrecoverable loss of sight, speech, or hearing which cannot be corrected by medical or surgical treatment or by artificial means. Loss of thumb or finger means complete severance at or above the metacarpophalangeal joints (the joints closest to the palm of the hand).

Quadriplegia means total and permanent paralysis of both upper limbs (from the shoulder down including total paralysis of both hands) and both lower limbs (from the waist down including total paralysis of both feet).

Paraplegia means total and permanent paralysis of both lower limbs (from the waist down including total paralysis of both feet). Hemiplegia means total and permanent paralysis of both the upper limb (from the shoulder down including total paralysis of the hand) and lower limb (from the waist down including total paralysis of the foot) on one side of the body.

A benefit is not payable for both loss of one hand and the loss of thumb and index finger of one hand for injury to the same hand as a result of any one accident. Under no circumstance will more than one payment be made for the loss or paralysis of the same limb, eye, finger, thumb, hand, foot, sight, speech, or hearing if one payment has already been made for that loss.

Benefits may be paid for more than one accidental loss but the total amount of AD&D insurance payable under this rider for all of an insured's losses due to any one accident, not including any amount paid according to the terms of the Additional Benefits section of this rider, will never exceed the full amount of AD&D insurance shown on the specifications page attached to the group policy.

When will the accidental death and dismemberment benefit be payable?

We will pay the AD&D benefit within two months of receipt at our home office of written proof satisfactory to us that the insured died or suffered dismemberment as a result of an accidental injury. All payments by us are payable from our home office.

The benefit will be paid in a single sum. We will pay interest on the benefit from the date of the insured's death or dismemberment until the date of payment. Interest will be at an annual rate determined by us, but never less than 0.1% per year compounded annually or the minimum required by state law, whichever is greater.

To whom do we pay the benefit?

A certificate holder's accidental death benefit will be paid to the person or persons entitled to receive a death benefit under the terms of the group policy. The benefit for other losses sustained by a certificate holder will be paid to the certificate holder, if living, otherwise to his or her estate.

A dependent's AD&D benefit will be paid to you, if living, otherwise to your estate.

Additional Benefits

Unless stated otherwise, additional benefits are payable to the same person or persons who receive the AD&D benefits. Additional benefits are paid in addition to any AD&D benefits described in the Accidental Death and Dismemberment section, unless otherwise stated. All provisions of this rider, including but not limited to the exclusions listed under the "What does accidental death or dismemberment by accidental injury mean?" section, shall apply to these additional benefits.

Air Bag Benefit

What is the air bag benefit?

If an insured employee dies as a result of a covered accident which occurs while he or she is driving or riding in a private passenger car, we will pay an additional AD&D benefit equal to the lesser of \$5,000 or the insured employee's full amount of AD&D insurance.

In order to be eligible for this benefit, the following must apply:

- (1) the seat in which the insured was seated was equipped with a properly installed airbag at the time of the accident; and
- (2) the private passenger car is equipped with seatbelts; and
- (3) a seatbelt was in proper use by the insured at the time of the accident as certified in the official accident report or by the investigating officer; and
- (4) at the time of the accident, the driver of the private passenger car was a licensed driver and was not intoxicated, impaired, or under the influence of alcohol or drugs.

Airbag means a passive restraint device in a vehicle which inflates upon collision to protect an individual from injury or death.

Seatbelt means a properly installed seatbelt, lap and shoulder restraint, or other restraint approved by the National Highway Traffic Safety Administration or any successor governmental agency. A private passenger car means a validly registered four-wheeled private passenger car or policyholder-owned car, jeep, pickup truck or van, including a sport utility vehicle (SUV), that is not licensed commercially or being used for racing, acrobatic or stunt driving.

Child Care Benefit

What is the child care benefit?

If an insured employee dies as a result of a covered accident and he or she is survived by his or her dependent spouse and one or more dependent children under age 13, we will pay additional benefits to reimburse the surviving spouse for child care expenses they incur for the insured employee's dependent children while under age 13. The qualifying employee's dependent children must also be

dependent on the surviving spouse for a benefit to be considered.

The benefit for each child per year will be the lesser of:

- (1) \$5,000 per year ; or
- (2) the cumulative total of \$10,000 or 25% of the insured's amount of AD&D; or
- (3) the incurred child care expenses.

Child care expenses are those expenses which are for a service or supply furnished by a licensed child care provider or facility for a dependent child's care. No payment will be made for expenses incurred more than 36 months after the date of the insured employee's death or for expenses incurred for dependent children over age 13. What does this rider provide?

This rider provides insurance on the lives of the insured employee's eligible dependents.

What members of the insured employee's family are eligible for insurance under this rider?

The following members of the insured employee's family are eligible for insurance under this rider:

- (1) the insured employee's lawful spouse who is not legally separated from the insured and who is not insured for supplemental insurance as an employee under the policy to which this rider is attached.

If any spouse is insured as an eligible employee under the group policy for employee supplemental term life, he or she is not also eligible to be insured with dependent spouse supplemental term life coverage. If any employee is insured as an eligible spouse under the group policy for spouse supplemental term life coverage, he or she is not also eligible to be insured as an employee for supplemental term life coverage; and

- (2) the insured employee's children, stepchildren, foster children (if living in the insured employee's home), grandchildren (if claimed as a dependent on the insured employee's federal income tax return), a child for whom the insured employee is a legal guardian or in a regular parent-child relationship with and legally adopted children. Children are eligible from live birth (stillborn or unborn children are not eligible) to the attainment of age 26. Children age 26 or older are also eligible if they are physically or mentally incapable of self-support, were incapable of self-support prior to age 26 and are financially dependent on the employee for more than one-half of their support and maintenance.

If both parents of a child qualify as eligible employees under the group policy, the child shall be considered a

dependent of only one parent for purposes of this rider. If any child qualifies as an eligible employee under the group policy, he or she is not eligible to be insured as a dependent child.

Any dependent child who, subsequent to the effective date of the insured employee's child life insurance, meets the requirements of this provision will become insured on the date he or she so qualifies.

When will we require evidence of insurability?

Evidence of insurability will be required if:

- (1) the specifications page attached to the group policy states that evidence of insurability is required; or
- (2) the insurance is contributory and the employee does not enroll for coverage under this rider within the enrollment period shown on the specifications page attached to the group policy; or
- (3) dependents insurance for which the employee previously enrolled did not go into effect or was terminated because the employee failed to make a required premium contribution; or
- (4) during a previous period of eligibility, the employee failed to submit evidence of insurability that was required for a dependent or that which was submitted was not satisfactory to us; or
- (5) the dependent is insured by an individual policy issued under the terms of the conversion right of this rider.

When does insurance on a dependent become effective?

Insurance on a dependent becomes effective on the date when all of the following conditions have been met:

- (1) the dependent meets all eligibility requirements; and
- (2) if required, the insured employee applies for dependents coverage on forms which are approved by us; and
- (3) we are satisfied with the dependent's evidence of insurability, if we require evidence; and
- (4) we receive the required premium.

Insurance on a dependent will never be effective before the insured employee's insurance under the group policy is effective.

Death Benefit

What is the amount of life insurance on each insured dependent?

The amount of life insurance on each insured dependent is shown on the specifications page attached to the group policy. In no event may the amount of insurance exceed the amount of insurance for which the employee is eligible.

The death benefit payable under this rider will be paid to the insured employee if living, otherwise to his or her estate.

Termination

When does an insured dependent's coverage under this rider terminate?

- (3) the last day for which premium contributions have been made following an employee's written request that insurance on his or her eligible dependents be terminated; or
- (4) the date the employee is no longer covered under the group policy.

The employee must notify us or the employer when a dependent is no longer eligible for coverage under this rider so that premiums may be discontinued. All premiums paid for dependents who are no longer eligible for coverage under this rider will be refunded without any payment of claim.

When does this rider terminate?

This rider will terminate on the earlier of:

- (1) the date we receive a written request to cancel this rider; or
- (2) the date the group policy is terminated.

Additional Information

What is the conversion right under this rider?

If an insured dependent's coverage under this rider terminates because he or she is no longer eligible, or because of the death of the insured employee, or because of termination or amendment of this rider, the insurance may be converted to a policy of individual insurance with Minnesota Life.

Conversion may be requested by the insured employee, an insured dependent of legal capacity, or the insured dependent's guardian, if applicable. All other conditions and provisions of the conversion right section of the group policy to which this rider is attached will apply.

Does the Waiver of Premium rider to the group policy apply to insured dependents?

The Waiver of Premium rider to the group policy will not apply to disabilities for dependents covered under this rider.

However, if, due to the insured employee's disability, his or her insurance is continued in force without further payment of premiums due to the Waiver of Premium rider to the group policy, any dependents insurance provided by this rider shall also continue in force without further payment of premiums until the dependent's eligibility terminates or until the insured employee's insurance is no longer continued in force due to the Waiver of Premium rider to the group policy.

This provision is not applicable if the dependent's insurance has been converted under the conversion right section of this rider, unless the converted policy is surrendered without claim except for refund of premiums.

General Information

This rider is issued in consideration of the required premium and amends the group policy to which it is attached. This rider is subject to every term, condition, exclusion, limitation and provision of the group policy unless otherwise expressly provided for herein.

What does this rider provide?

This rider provides for continuation of group life insurance for insureds who no longer meet the eligibility requirements of the group policy except as provided for herein.

To continue coverage under the provisions of this rider, an eligible insured must make a written request and make the first premium contribution within 31 days after insurance provided by the group policy would otherwise terminate. Evidence of insurability will not be required. Coverage provided by this rider will then be deemed effective retroactive to the beginning of the 31-day period. This date is considered to be the insured's portability date and the insured is then considered to have portability status.

Who is eligible to continue insurance under this rider?

- (1) the employee terminates employment, including retirement; or
- (2) the employee is no longer in a class eligible for insurance or is on a leave or layoff; or
- (3) a class or group of employees insured under the policy is no longer considered eligible and there is no successor plan for that class or group. Successor plan means an insurance policy or policies provided by us or another insurer that replaces insurance provided under this policy.

The certificate holder will not be eligible to request coverage under this rider if he or she:

- (1) has attained the age of 98; or
- (2) has converted his or her insurance to an individual life policy under the terms of the group policy's conversion right section; or
- (3) was not actively at work due to sickness or injury on the day immediately preceding his or her portability date; or
- (4) loses eligibility due to termination of the group policy.

What insurance can be continued under this rider?

Only contributory insurance may be continued under this rider. If the certificate holder elects to continue his or her

own coverage according to the provisions of this rider, he or she may also elect to continue contributory insurance for any other individual insured under his or her certificate. The certificate holder may also continue coverage under all supplements to such certificate which apply to contributory insurance and by which he or she was insured immediately preceding his or her portability date except the Term Life Waiver of Premium Certificate Supplement, which shall terminate upon porting.

The amount of insurance continued under this rider for any individual will be subject to any applicable state law or regulation relating to allowable amounts of insurance.

What is the minimum amount of insurance that can be continued under this rider?

The minimum amount of insurance that can be continued on the life of an insured under this rider is \$10,000 for an employee and \$1,000 for each insured dependent.

What is the maximum amount of insurance that can be continued under this rider?

The maximum amount of insurance that can be continued under this rider is the amount of insurance that was in force on the insured's portability date, but not more than \$500,000 for an employee, \$100,000 for a spouse or \$10,000 for a child. If an insured elects to port AD&D coverage, the elected amount may not exceed the amount ported for life insurance.

Will the amount of insurance continued under this rider change?

Yes. Reductions will occur on the first day of the month following the date the insured attains the reduction age as shown on the table below:

Reduction Age	Reduces to	Maximum Amount*
65	65%	\$325,000
70	50%	\$250,000
75	25%	\$125,000
80	20%	\$100,000
85	15%	\$75,000
90	10%	\$50,000
98	Insurance terminates	

*Reductions are based on the amount of insurance in force on the insured's portability date, but not more than the maximum amount allowed per the insured's age.

Can a certificate holder request a change in his or her amount of insurance continued under this rider?

Yes. The certificate holder may elect to reduce the amount of insurance provided under his or her certificate. The remaining amount of insurance on the life of a certificate holder must be at least \$10,000.

The amount of insurance continued under this rider will never increase.

How will premium contributions be paid?

Premium contributions will be paid directly to us on a monthly, quarterly, semi-annual, or annual basis and will be subject to an administrative charge per billing period. We may adjust the amount of the charge, but not more often than once per year.

Can the premium rate change?

Yes. The premium rate may increase on the portability date. The premium rate may also increase in the future but will not change more often than once per year.

Can insurance continued under this rider be converted to a policy of individual insurance?

Yes. At any time after insurance has been continued under the provisions of this rider, it may be converted to a policy of individual insurance with Minnesota Life. All other conditions and provisions of the conversion right section of the group policy to which this rider is attached will apply.

What happens if a certificate holder again becomes eligible under the group policy?

If a certificate holder who is continuing coverage under the provisions of this rider again meets the eligibility requirements of the group policy, not including the terms of this rider, he or she shall no longer be considered to have portability status. Insurance for that certificate holder may be provided only under the terms of the group policy, not including this rider, unless and until he or she no longer meets the eligibility requirements of the group policy and again returns to portability status as provided for herein.

What happens to insurance provided under this rider when the group policy terminates?

Anything in the group policy notwithstanding, termination of the group policy by the policyholder or us will not terminate life insurance then in force for any person under the terms of this rider. The group policy will be deemed to remain in force solely for the purpose of continuing such insurance, but without further obligation of the policyholder.

Any insurance continued under the terms of this rider will remain in force until terminated by the provisions of the section entitled "When will insurance continued under this rider terminate?".

No individual may elect coverage under this rider on or after the date of termination of the group policy.

When will insurance continued under this rider terminate?

- (4) 31 days after the due date of any premium contribution which is not made.

Term Life Waiver of Premium Policy Rider

MINNESOTA LIFE

Minnesota Life Insurance Company - A Securian Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

General Information

This rider is issued in consideration of the required premium and amends the group policy to which it is attached. The specifications page attached to the group policy indicates whether this rider applies to contributory insurance or noncontributory insurance. This rider is subject to every term, condition, exclusion, limitation, and provision of the group policy unless otherwise expressly provided for herein. Coverage under this rider will not be included in any insurance issued under the conversion right section of the group policy.

What does this rider provide?

This rider provides for waiver of premium for certificate holders who become totally and permanently disabled, as defined herein, while under age 60. Upon approval of proof of such disability, a certificate holder's insurance, including all riders applicable to such certificate holder which were in force on the date of the onset of the certificate holder's disability, will be continued in force without payment of premiums during the uninterrupted continuance of the total and permanent disability.

What is total disability?

Total disability is a disability which occurs while a certificate holder's insurance and the coverage under this rider is in force and which results from an accidental injury or an illness that continuously prevents the certificate holder from engaging in any occupation for which he or she is reasonably suited by education, training, or experience. The certificate holder must be under the care of a licensed physician. The licensed physician cannot be the certificate holder or a member of the certificate holder's immediate family. For purposes of this rider, the certificate holder's immediate family consists of his or her spouse, children, parents, grandparents, grandchildren, brothers and sisters and their spouses.

What is permanent disability?

Permanent disability is a total disability which has existed continuously for at least six months.

Do premiums have to be paid for a certificate holder after he or she becomes disabled?

Yes. Premiums have to be paid after a certificate holder becomes disabled, but only until we approve his or her total and permanent disability claim. Continued payment prevents the possible loss of the certificate holder's coverage and eligibility if the claim is not approved.

What if a certificate holder converts his or her group life insurance to a policy of individual insurance prior to the approval of his or her disability claim?

If a certificate holder's coverage has been converted in accordance with the conversion right section of the group policy, benefits under this rider will apply only if the converted policy is surrendered without claim, except for refund of premiums.

What will be considered due proof of total and permanent disability?

A certificate holder must furnish evidence satisfactory to us that his or her disability:

- (1) commenced while his or her insurance under the group policy was in force; and
- (2) meets the definition of total disability; and
- (3) commenced before his or her 60th birthday; and
- (4) was continuous for six months or more.

We will, from time to time, also require additional proof satisfactory to us that the certificate holder continues to be totally and permanently disabled. We may also require that the certificate holder submit to one or more medical examinations at our expense, but not more often than once every three months.

If a certificate holder dies within one year of the date of onset of his or her disability, the certificate holder's beneficiary may claim benefits under this rider even if the certificate holder's premium payments were discontinued and he or she had not submitted due proof satisfactory to us of his or her total disability or was continuously disabled for less than six months.

The certificate holder's beneficiary must submit due proof satisfactory to us that the certificate holder's total disability, which began before the certificate holder's premium payments were discontinued and before his or her 60th birthday, continued without interruption until his or her death.

When must we be notified of a certificate holder's disability or death?

We must receive written notice at our home office of a certificate holder's total disability within one year of the date of onset of such disability. However, failure to give notice within the time provided will not invalidate the claim if it is shown that notice was given as soon as reasonably possible.

We must receive written notice at our home office within one year of death that a certificate holder died during a period of continuance provided by this rider. Proof must be furnished that he or she continued to be totally disabled during the entire period of continuance until death. If such notice and proof are not provided within the required time frame, there shall be no liability for any payment under this rider.

What is the amount of insurance to be continued without payment of premium under this rider?

The amount of insurance continued without payment of premium shall be the amount of insurance that was in force on the date of onset of total disability.

If the group policy provides for reductions in amounts of insurance based on age or retirement, such reductions shall apply to the insurance of the disabled certificate holder.

How long will insurance be continued without payment of premium?

If a certificate holder becomes totally and permanently disabled, insurance will be continued, without payment of premium, until the earliest of:

- (1) the certificate holder's 65th birthday; or
- (2) the date the certificate holder recovers so that he or she is no longer totally and permanently disabled; or
- (3) the date the certificate holder fails to furnish proof of continued disability when requested or refuses to submit to a required medical examination.

What happens to a certificate holder's insurance when the waiver of premium benefit ends?

When the benefits under this rider end according to the provisions of the section entitled "How long will insurance be continued without payment of premium?," the following will apply:

- (1) If the certificate holder is then eligible for coverage under the group policy, his or her insurance may be continued under the group policy provided that premiums are paid. The first such premium payment must be made within 31 days of the date the waiver of premium benefit ends.
- (2) If the certificate holder is no longer eligible for coverage under the group policy, he or she may convert coverage to an individual policy, as provided for under the conversion right section of the group policy.

Insurance will end for a certificate holder unless, within 31 days of the date benefits under this rider end, premium payment is resumed or the insured applies to convert his or her coverage.

When does this rider terminate?

This rider will terminate on the earlier of:

- (1) the date we receive a written request to terminate this rider; or
- (2) the date the group policy is terminated.

Insurance being continued without further payment of premiums in accordance with the provisions of this rider will not end due solely to the termination of this rider or of the group policy.
