Important Questions	Answers	Why This Matters:
What is the overall deductible?	For each Calendar Year, Individual: $2,000 / Family: $5,500.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible?	Yes – Preventive Care, Primary Care Physician and Specialist Visits, Urgent Care, Mental Health/Substance Abuse Outpatient Visits	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	Yes, $75 Individual deductible for prescription drug coverage. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	Medical: Individual: $6,400 / Family: $12,800 Prescription Drugs: Individual: $750 / Family: $1,500	The out-of-pocket limit is the most you could pay in a year for covered services
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, and penalties for failure to obtain pre-authorization for service.	Even though you pay these expenses, they don't count toward the out-of-pocket limit
Will you pay less if you use a network provider?	Yes. See www.aldinebenefits.org or call 1-866-284-2473 for a list of preferred providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Within the Kelsey Network – No Outsider of the Kelsey Network – Yes	Within the Kelsey Network, you can see the specialist you choose without a referral. Outside of the Kelsey Network, This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
