## Aetna HealthFund

## **Plan Features**

**Annual HealthFund Amount** 

\$100 Individual \$225 Employee and Spouse \$225 Employee and Child(ren) \$350 Family

If your coverage terminates and you re-enroll in the Aetna HealthFund in the same calendar year, the dollars left in your Aetna HealthFund balance will be reinstated.

## Schedule of Benefits

The HealthFund benefit will pay 100% of eligible HealthFund expenses (network and out-of-network). It will also reduce your individual or family deductible. Once your maximum HealthFund benefit is paid, you will be responsible for covered expenses until any remaining deductible is met. Once your deductible has been met, your health expense coverage will begin to pay for covered expenses.

When you or your eligible dependents become covered under this plan, you have access to a unique network of hospitals and specialists, the Choice Network. You can choose from a range of hospitals and specialists that are divided into two tiers. In most cases, you will receive the Plan's maximum level of coverage when you receive care from a Choice Network Tier I hospital or specialist. If care is provided by hospitals and specialists that are not designated as Tier I, that care is also covered, but your cost sharing will be higher.

If you are not located in an area in which there are **Choice Network** providers, your deductibles, out-of-pocket limits and level of coverage will be the same as described in this Schedule of Benefits. If you receive care from an Aexcel Designated Network Provider, your deductibles, out-of-pocket limits and level of coverage will be the same as shown for Tier I Choice Network providers. If you receive care from a provider that is not an Aexcel Designated Provider, your deductibles, out-of-pocket limits and level of coverage will be the same as shown for Tier II Choice Network Providers.

Read your Schedule of Benefits carefully to understand the cost sharing charges applicable to you.

## **Expense Provisions**

#### The following provisions apply to your health expense plan.

This section describes cost sharing features, benefit maximums and other important provisions that apply to your Plan. The specific cost sharing features and the applicable dollar amounts or benefit percentages are contained in the attached health expense sections of this *Schedule of Benefits*.

This Schedule of Benefits replaces any Schedule of Benefits previously in effect under your plan of health benefits.

## KEEP THIS SCHEDULE OF BENEFITS WITH YOUR BOOKLET.

## **Deductible Provisions**

All **covered expenses** accumulate toward the **network provider deductible** except for those **covered expenses** identified later in this *Schedule of Benefits*.

You and each of your covered dependents have separate Calendar Year **deductibles**. Each of you must meet your **deductible** separately and they cannot be combined. This Plan has individual and family Calendar Year **deductibles**.

#### Network Provider Calendar Year Deductible

#### Individual

This is the amount of **covered expenses** that you and each of your covered dependents incur each Calendar Year from a **network provider** for which no benefits will be paid. This individual Calendar Year **deductible** applies separately to you and each of your covered dependents. After **covered expenses** reach this individual Calendar Year **deductible**; this Plan will begin to pay benefits for **covered expenses** that you incur from a **network provider** for the rest of the Calendar Year.

#### Family Deductible Limit

When you and each of your covered dependents incur **covered expenses** that apply towards the individual Calendar Year **deductibles**, these expenses will also count toward a family **deductible** limit.

To satisfy this family **deductible** limit for the rest of the Calendar Year, the following must happen:

The combined **covered expenses** that you and each of your covered dependents incur towards the individual Calendar Year **deductibles** must reach this family **deductible** limit in a Calendar Year.

When this occurs in a Calendar Year, the individual Calendar Year **deductibles** for you and your covered dependents will be considered to be met for the rest of the Calendar Year.

## **Copayments and Benefit Deductible Provisions**

## Per Admission Copayment

A Per Admission **Copayment** is an amount you are required to pay when you or a covered dependent have a **stay** in a Choice Network Tier II inpatient facility. A **copayment** is a specified dollar amount or percentage of the **negotiated charge** required to be paid by you at the time you receive a covered service from a **network provider**. It represents a portion of the applicable expense.

Separate **copayments** may apply per facility. These **copayments** are in addition to any other **copayments** applicable under this plan. They may apply to each **stay** or they may apply on a per day basis up to a per admission maximum amount. Not more than two per admission **copayments** will apply for each facility type during a Calendar Year.

**Covered expenses** applied to the per admission **copayment** cannot be applied to any other **copayment** required in your plan. Likewise, **covered expenses** applied to your plan's other **copayments** cannot be applied to meet the per admission **copayment**.
