 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, please visit *Benefits Outlook* at [www.aldinebenefits.org](http://www.aldinebenefits.org) or call 1-866-284-2473. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	For each Calendar Year, Individual: \$2,500 / Family: \$5,000.	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Preventive Care, Primary Care Physician and Specialist Visits, Urgent Care, Mental Health/Substance Abuse Outpatient Services.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this plan covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	Yes, \$75 Individual deductible for prescription drug coverage. There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	Individual: \$6,500 / Family: \$13,000.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charges, and penalties for failure to obtain pre-authorization for service.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.aldinebenefits.org">www.aldinebenefits.org</a> or call 1-866-284-2473 for a list of preferred providers.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
