## Schedule of benefits

---

This schedule of benefits lists the **deductibles** and **copayments/payment percentage**, if any, that apply to the services you receive under this plan. You should review this schedule to become familiar with your **deductibles** and **copayments/payment percentage** and any limits that apply to the services.

### How to read your schedule of benefits

- When we say:
  - “In-network coverage”, we mean you get care from a **network provider**.
- The **deductibles** and **copayments/payment percentage** listed in the schedule of benefits below reflect the **deductibles** and **copayment/payment percentage** amounts under your plan.
- Any **payment percentage** listed in the schedule of benefits reflects the plan **payment percentage**. This is the amount the Plan pays. You are responsible to pay any **deductibles, copayments**, and the remaining **payment percentage**.
- The **coinsurance** listed in the schedule of benefits reflects the plan **coinsurance** percentage. This is the **coinsurance** amount the plan pays. You are responsible for paying any remaining **coinsurance**.
- You are responsible for full payment of any health care services you receive that are not a **covered benefit**.
- This plan has maximums for specific **covered benefits**. For example, these could be visit, day or dollar maximums.
- At the end of this schedule you will find detailed explanations about your:
  - **Deductible**
  - **Maximum out-of-pocket limits**

#### Important note:

All **covered benefits** are subject to the Calendar Year **deductible** and **copayment/payment percentage** unless otherwise noted in the schedule of benefits below.

## General coverage provisions

---

This section provides detailed explanations about the:

- **Deductible**
- **Maximum out-of-pocket limits**

that are listed in the first part of this schedule of benefits.

<b>Deductible provisions</b>
The <b>deductible</b> may not apply to certain <b>eligible health services</b> . You must pay any applicable <b>copayments/payment percentage</b> for <b>eligible health services</b> to which the <b>deductible</b> does not apply.

<b>Individual</b>
This is the amount you owe for in-network <b>eligible health services</b> each Calendar Year before the plan begins to pay for <b>eligible health services</b> . This Calendar Year <b>deductible</b> applies separately to you and each of your covered dependents. After the amount you pay for <b>eligible health services</b> reaches the Calendar Year <b>deductible</b> , this plan will begin to pay for <b>eligible health services</b> for the rest of the Calendar Year.
<b>Family</b>
This is the amount you and your covered dependents owe for in-network <b>eligible health services</b> each Calendar Year before the plan begins to pay for <b>eligible health services</b> . After the amount you and your covered dependents pay for <b>eligible health services</b> reach this family Calendar Year <b>deductible</b> , this plan will begin to pay for <b>eligible health services</b> that you and your covered dependents incur for the rest of the Calendar Year.
To satisfy this family <b>deductible</b> limit for the rest of the Calendar Year, the following must happen:
<ul style="list-style-type: none"><li>• The combined <b>eligible health services</b> that you and each of your covered dependents incur towards the individual Calendar Year <b>deductibles</b> must reach this family <b>deductible</b> limit in a Calendar Year.</li></ul>
When this occurs in a Calendar Year, the individual Calendar Year <b>deductibles</b> for you and your covered dependents will be considered to be met for the rest of the Calendar Year.

\*See *How to read your schedule of benefits* at the beginning of this schedule of benefits

## First dollar benefit

The first dollar benefit provides 100% coverage and **deductibles, copayments** and **payment percentage** are waived for **eligible health services** under this certificate up to the first dollar benefit amount per Calendar Year.

You will be eligible under the first dollar benefit for coverage of first dollar benefits up to the first dollar benefit amount shown on schedule of benefits. After the first dollar benefit is exhausted, **eligible health services** are subject to any applicable **deductible, copayment, or payment percentage** cost sharing shown on the schedule of benefits. The first dollar benefit is not a cash account and has no cash value. The first dollar benefit does not duplicate other coverage provided by this certificate.

The first dollar benefit amount is the amount of coverage provided each Calendar Year for coverage of **eligible health services** which are eligible for first dollar benefit coverage.

The first dollar benefit applies to the following expenses under this plan:

- Non routine Physician and Specialist office visits
- Walk In Clinic
- Voluntary sterilization for males
- Abortion
- Short-term rehabilitation services
- Spinal manipulation

## Copayments

### Copayment

As it applies to in-network coverage, this is a specified dollar amount or percentage that must be paid by you at the time you receive **eligible health services** from a **network provider**.

## Payment percentage

The specific percentage you have to pay for a health care service listed in the schedule of benefits.

## Maximum out-of-pocket limits provisions

The **maximum out-of-pocket limit** is the maximum amount you are responsible to pay for **copayments/payment percentage** and **deductibles** for **eligible health services** during the Calendar Year. This plan has an individual and family **maximum out-of-pocket limit**. As to the individual **maximum out-of-pocket limit** each of you must meet your **maximum out-of-pocket limit** separately.

### Individual

Once the amount of the **copayments/payment percentage** and **deductibles** you and your covered dependents have paid for **eligible health services** during the Calendar Year meets the individual **maximum out-of-pocket limit**, this plan will pay 100% of the **negotiated charge** for **covered benefits** that apply toward the limit for the rest of the Calendar Year for that person.

\*See *How to read your schedule of benefits* at the beginning of this schedule of benefits

**Family**

Once the amount of the **copayments/payment percentage** and **deductibles** you and your covered dependents have paid for **eligible health services** during the Calendar Year meets this family **maximum out-of-pocket limit**, this plan will pay 100% of the **negotiated charge** for such **covered benefits** that apply toward the limit for the remainder of the Calendar Year for all covered family members.

To satisfy this family **maximum out-of-pocket limit** for the rest of the Calendar Year, the following must happen:

- The family **maximum out-of-pocket limit** is a cumulative **maximum out-of-pocket limit** for all family members. The family **maximum out-of-pocket limit** can be met by a combination of family members with no single individual within the family contributing more than the individual **maximum out-of-pocket limit** amount in a Calendar Year.

The **maximum out-of-pocket limit** may not apply to certain **eligible health services**. If the **maximum out-of-pocket limit** does not apply to a covered benefit, your **copayment/payment percentage** for that covered benefit will not count toward satisfying the **maximum out-of-pocket limit** amount.

Certain costs that you incur do not apply toward the **maximum out-of-pocket limit**. These include:

- All costs for non-covered services
- Any out of pocket costs for non-emergency use of the emergency room
- Any out of pocket costs for Obesity surgery
- As it applies to out-of-network coverage: Charges, expenses or costs in excess of the **recognized charge**

**Calculations; determination of benefits provisions**

Your financial responsibility for the costs of services will be calculated on the basis of when the service or supply is provided, not when payment is made. Benefits will be pro-rated to account for treatment or portions of stays that occur in more than one Calendar Year. Determinations regarding when benefits are covered are subject to the terms and conditions of the booklet.
